Two disk versions.

Since issue 1, **ANALOG Computing**'s subscriptions have been available on disk, eliminating the need for you to spend hours typing in programs from our magazine. Now they're also on 3½-inch disk, for ST users.

The rates for these disk subscriptions are given in full on the ordering portion of this folder. And, of course, both disk subscriptions include a copy of the magazine itself.

To subscribe on disk, just check the appropriate box on the subscription form attached, or call our toll-free number:
